SOS

In Episode 1, the light in Miller's Woods flashes SOS. That is how the mystery starts.

Three short, three long, three short. It means "help." Ships and planes have used it for more than a hundred years. Save it for a real emergency.

HOW TO FLASH IT

- **Short flash** is a dot. Click the flashlight on and off, quickly.
- **Long flash** is a dash. Hold it on about three times as long.
- **Pause** between letters. Count to three in your head.
- **Longer pause** between words, about twice as long, so the person watching knows a new word is starting.

WRITE YOUR NAME IN MORSE CODE

One letter in each box, then its dots and dashes underneath.

PRESS PLAY. HOLD ON TIGHT.
